### Q4.3 Is your household aware of any other danger spots on the roads in the Parish? Please give details here

- I ride a bike often but the B4368 is VERY dangerous for bikes in places due to narrowing of road and fast speed of traffic
- Turning right out of Bouldon where main road to Heath turns sharply to left
- Lack of footpaths where families walking to and from school
- At Beambridge road junction onto B4368 - when emerging on minor road from Broncroft direction visibility to right impeded by position of road sign on B4368, and more warnings and/or traffic calming needed on B road
- Temporary speed camera at Hungerford (not sure if this is in the parish)
- Beambridge crossroads on B4368, personally crashed, witnessed many other crashes. Another household in my village affected. Danger is drivers on B4368 driving too fast for cars emerging to pull out 40mph at most is my recommendation.

### Q4.4 Which of these improvements to pedestrian, equestrian and motor traffic does your household think are important for the Parish? Please tick one box per row and if necessary please provide details or concerns in the comment box below

g) Improved road drainage	4 (57.1%)	2 (28.6%)	0 (0.0%)	1 (14.3%)

- Please give details here for a-g*
