

Corvedale festival

15th – 23rd September 2023

International in Scope – Local in Feel

A diverse arts event in rural south Shropshire

Patron ~ David Matthews

“Corvedale has been busy making itself a positive presence in the enterprising arts activity bubbling quietly around this glorious region.....”
(Christopher Morley, Birmingham Post)

- Evening concert, Friday 22nd September at 7.30pm
- Evening concert, Saturday 23rd September at 7.30pm

Sculpture trail: Look out for new sculptures by local artist Gemma Hughes in both churches

Those in groups with two (or more) cars can park one in village hall car park in Diddlebury. and then drive together in the second to park on roadside in Munslow. Check whether rain is forecast and, if it is, take wet weather gear and a drink. For some, a stick will be helpful. This is a well-maintained route. Using lanes, footpaths

arable and pasture farmland. The route has been cleared but it is possible in places that branches and nettles have grown over the path. In places the route can be muddy so use appropriate footwear (walking boots or sturdy shoes).

Stunning views towards the Clee Hills and Wenlock edge. Ensure all gates on the walk are closed once you have gone through as there are cattle, sheep and sometimes horses grazing the fields. Dogs **MUST**, be under kept under close control. If your dog cannot get over the stiles, you will have to lift it.

Map of walking route

St Peter's Church, Diddlebury SY7 9DH (SO 508 854) to St Michael's Church, Munslow SY7 9ET (SO 521 877)

ROUTE DESCRIPTION

- From the church gate, crosses the road and follow the footpath signs that take you to the right of the village hall. When you reach the boundary of the car park, turn right on the signed path, heading northwest. Continue on the footpath until reaching a lane and turn left towards the road (B4368).
- Cross the road with care, and take the track immediately opposite, which leads gently uphill.
- Shortly you will reach a footpath and you must turn right towards Aston Munslow. The footpath gives way to a track leading into the village. To continue the route to Munslow continue along the lane north and follow this round taking a right turn, continuing until you see a marked footpath on the left, leaving the village (... if you wish, there is an option to turn right and go to the pub).
- Keep on the footpath until reaching Aston Munslow. At the junction turn left and along the lane, which, after a right-hand bend will bring you out at another junction.
- At the junction, turn left and shortly you will see St Michael's Church to your left.
