WESTHOPE VILLAGE HALL

We have now completed the painting and decorating of the newly refurbished kitchen and also managed to do the same in the ladies and gents toilets thanks to a generous donation from a member of the local community. And now for

the big one, the outside of the hall. We really do hope we can achieve this before the centenary next year which is now scheduled for Sunday 9th June 2024. We are planning a grand celebration party for the whole of the community and those that have supported the village hall over the years to present day. Fundraising events are now in the planning. Further details will be announced in due course.

Our community lunch was again well supported, and a delicious lunch was enjoyed by all.

Another successful rummage sale was held on 16th September, thank you to all who donated their items and of course everyone's help to make it possible.

Yoga with Sue Pugh every Wednesday, please note from 4th October the time is changing slightly to 3.30 - 4.30pm. All enquiries Sue Pugh 07432 349 933 or Betty 07860 447 397.

The skittles season is nearly upon us, which we are all looking forward to, our first match being on Friday 13th at home to Culmington (not an ideal date to start, let's hope it's not unlucky!). It's the the taking part not necessarily the winning.

The Macmillan Cancer Coffee Morning is being supported by Westhope Village Hall with a coffee morning on 29th September 10am-12.30pm. Please do come along and support such an amazing charity.

ABDON VILLAGE HALL

ACTIVITIES & EVENTS - OCTOBER

UFO (Un-Finished Objects) Craft Morning

The UFO craft group which meets at Abdon Village Hall on the second Saturday of the month, will start again on **Saturday 14th October 10.30am - 12.30pm**, as usual. Bring your crafting projects to share, craft, chat, and of course there will be coffee and cake! Look forward to seeing everyone.

Coffee Morning

Saturday 28th, 10.30am to 12.30pm. The coffee morning will take place, as usual, in the village hall on the last Saturday in October. Everyone welcome for coffee, cake and chat!

Abdon Village Hall Bookings

Contact Margaret Buckingham: 01746 712 296 or abdon. villagehall@gmail.com Or visit our website for the booking form and details: www. abdonandheathparish.org.uk The hall is available to hire with a licensed bar and catering if required. All enquiries Betty 07860 447 397.

OCTOBER (AND FUTURE) EVENTS

Whist Drives

Every Monday, starting at 7.15pm.

£3 entry. All abilities welcome. Our numbers continue to grow so come along and enjoy a very light-hearted and sociable evening.

Yoga with Sue Pugh

Every Wednesday, 4.15 - 5.15pm / 3.30 - 4.30pm. All enquiries Sue Pugh 07432 349 933 or Betty 07860 447 397.

Macmillan Coffee Morning

Friday 29th September, 10am - 12.30pm.

Skittles Match

Friday 13th October Home. Vs Culmington

Harvest Supper

Saturday 14th October 14th 7.00 for 7.30pm.

£15 for a three-course meal with tea/coffee. Children under 12 - £8. This year our entertainment will be lots of fun with a magician. Pre-booking essential. Betty 07860 447 397.

Bingo

Saturday 28th October 7.00 for 7.30pm. Everyone welcome.

Christmas Prize Bingo

Saturday 9th December 7.00 for 7.30pm. Everyone welcome.

CHURCH NEWS

LETTER FROM THE RECTORY

Writing purely personally, I have to say that this year I have not done well in terms of growing food in the garden. Although things were planted at about the right time, whether it is this year's weather or the fact that anything planted in my vegetable patch then has to fend for itself I wouldn't like to say, but I have been noticeably less successful this year than previously. Fortunately, I am not reliant on what I grow and I can go out to buy whatever I need, but this is a luxury that people in many parts of the world don't have. I am reminded (again) that for many people there is a fine line between having enough to eat and the prospect of hunger.

Over the past few weeks we have seen the annual change in the landscape as fields are harvested. Quite often this year it has been at night as farmers have worked to get crops gathered before the coming rain. This month we will give thanks to God for that harvest – dates and times of the Harvest Services are in the rota elsewhere in this magazine. As we celebrate the harvest and pray for those who have worked so that we can enjoy it, it is also right that we think about what we do with it. It is a sad fact that although the world produces enough food for all its people, we are not very good at ensuring that all the world's people have enough to eat. While some have a surplus, others starve, and about one third of the food produced in the world is wasted, an amount which continues to increase.

We will celebrate God's goodness in another way on Sunday 22nd October when we have the Pets' Service at Diddlebury. Do join us for this and bring your pet (suitably housed or restrained, please). We usually have a fair number of dogs (and it's great to see them) but it would be good to see some more unusual types of pet too!

Rev'd John Beesley

MUNSLOW CHURCH

On **Wednesday 18th October** at 7pm we look forward to welcoming the Blue Hills Choir to Munslow Church for a concert of

classical choral music. Tickets, in aid of Munslow Church, will be £10, to include a drink afterwards. We hope to see you there!

Rev'd John Beesley

DIDDLEBURY FLOOD ACTION GROUP

AUTUMN REMINDERS

Preparation For Autumnal Weather Events:

- Remember to clear your gutters, keep falling leaves out of the drains.
- Make a personal risk assessment for flooding. By having a plan and ensuring that everyone is familiar with it, you can minimise the disruption that you suffer and help ensure everyone's safety should a flood event occur. Help can be found at: www.shropshire.gov.uk/drainage-and-flooding/ be-prepared-for-flooding/create-a-personal-flood-plan/

Looking After Waterways:

- Remember the responsibilities that landowners have for waterways next to properties. In most circumstances, trees, hedges and ditches that adjoin highways and streams fall under the ownership of the adjacent landowner.
- Guidance can be found at: www.shropshire.gov.uk/ drainage-and-flooding/be-prepared-for-flooding/ guidance-on-highway-ditches-hedges-and-trees/

Where To Access Sandbags:

- During a flood event there are a range of ways you can make your property more resilient to flooding. In some cases, if used properly, sandbags can be used to divert flood water away from property or provide some protection for a short period of time.
- Shropshire Council holds limited stocks of sandbags for collection by the public at our highways depots around the county.

Himalaya Balsam

Himalayan Balsam is a very invasive weed which spreads extremely quickly, especially adjacent to watercourses. It has been seen locally, including on the banks of the Diddlebrook. For further information see photos below. A useful article can be found at: www.rhs.org.uk/weeds/himalayan-balsam

Need with help in any flooding issues? Please contact your local flood action group. Details of both **Diddlebury Flood Action Group** and **Culmington Flood Action Group** are listed on the respective parish websites

Clive Martyn

the W

WOMEN'S INSTITUTE HAYTON & DISTRICT WI

Our meeting on 14th September included a talk by Emma Spenser entitled The Women's Land Army which gave us an insight into the history and experiences of the amazing women during and following World War II who signed up and made a huge contribution towards the maintenance of the land and the essential food production of this country. Emma, as librarian at Bridgnorth library, reads a lot and therefore decided to take the opportunity to read and focus on her interest in history and to undertake research on subjects like the Suffragette Movement and times during the two world wars, in particular the part that women played in the form of National Service. She walked in to give her talk dressed in a WWII reproduction of the uniform Land Army women were required to wear in their role - the Great Coat being an original - along with a designated small suitcase with all other essential items given to assist the women in their work, including the original gas mask, and went on to explain that during World War I, with food production in jeopardy, it became clear that in order to sustain food production in Britain something had to be done to enable the country to grow more of its own food. So, from around 1915, 23,000 women were recruited to work full-time on the land. They helped to replace male farmers and farmworkers who had gone to war. Eventually the Women's Land Army employed over 200,000 women between June 1939 and November 1950. Lady Gertrude Denman, whom we know as the founder of the Women's Institute, which began on 16th September 1915 (WI Day), was approached by the Ministry of Agriculture to reform, and direct the Women's Land Army. She began to make plans in terms of national organisation and recruitment but there are delays in taking these proposals forward. Lady Denman therefore uses her 'county lady' contacts around the country, who by then were mostly WI Presidents in their county branches, to help promote the Land Army to the population of WI members, asking them to apply to be recruited as 'Land Girls' during WWII. A well-presented talk on a fascinating, historical subject! Our meeting concluded during refreshment time with our speaker Emma judging our two regular competitions.

On WI Day this year, four of us had a great day at the 'Shropshire County WI Day' event held in Shrewsbury Abbey on Saturday, 16th September. We arrived early and found our designated space where we proceeded to set up our individual table and screen displaying photographs, documents, and programmes, old and new, collected since the inception of Hayton and District WI on 19th November 1947, plus an array

of craft items contributed by members. These included pickles and jams, various crafts and seven tea loaf cakes. Two ladies visiting the Abbey from Texas USA bought one of our cakes and, as the show was

so well attended, the other six were sold to the refreshments team provided by the Shropshire Federation WI because they'd sold all their provisions so quickly! An extraordinarily successful day with live music played in the Chancel to add to the very friendly, interesting, buzzing atmosphere throughout the beautiful Shrewsbury Abbey.

At our next meeting on Thursday 12th October at 7.30pm, we shall be welcoming Child Psychologist Suzy Hopkins to give her talk entitled Hiding in Plain Sight, going hand in hand with the National Federation WI's campaign 'Thinking Differently'. Suzy will offer her extensive knowledge and experience to help us understand why so many girls and women with Autism and ADHD go undiagnosed. Anyone living in our district, particularly new residents, who would like to try out an active, inclusive WI branch to meet new friends, share interests, come on organised outings and events and listen to inspiring speakers, please come along on the second Thursday evening of the month for a 7.30pm start at Stanton Lacy Village Hall in Hayton's Bent to check us out. Further information about the WI, including membership and our branch in particular, is available from our President, Phyllis Steventon on 01584 823 436 or Secretary, Amanda Brooks at hayton.district.wi@gmail.com.

Louise Gough

MUNSLOW WI

We were joined by two prospective members at our September meeting plus two visitors. Our speaker for the evening was Kate Green. Kate demonstrated her talk by singing songs about people she had researched and been involved with in what we now know as the Elan Valley project, bringing water from Wales to Birmingham. She accompanied her songs with a ukulele and talked and sang about various characters that she had become interested in - one of whom was Rita Morton. Kate then went on to sing of a woman called Jenny Pike, who she said was the last woman to have been made to use the Ducking Stool in Leominster in 1809. Her final song, which almost had us in tears, was of a child who had been discovered after being preserved in ice for many years. Loraine thanked Kate for a very interesting and entertaining evening. The usual raffle was held, and tea, coffee and cake served.

Tickets were distributed for the barbecue in two weeks' time, and we are looking forward to a skittles evening next month. For more information, please call me on 01584 841 251.

Jenny Rose

DIDDLEBURY & WESTHOPE WI

On Wednesday 9th August members of Diddlebury & Westhope WI met in Culmington Village Hall, with friends from other WIs in dred, which we hope will be filled with the same mix of friendship, interest, and laughter as in the past.

Many things have changed since our WI was started but we hope we have remained faithful to the intentions of those founder members and will continue to meet together in friendship, to hear interesting talks, learn new skills and make new friends while supporting each other.

Mary Holland

WALK A MILE TO END POLIO

Members of Ludlow Rotary Club are inviting residents of Ludlow and the surrounding area, young and old, to join them in 'walking a mile for polio'.

For almost forty years Rotary International has been battling to eradicate polio from the world. When it launched its global campaign to fight the crippling and sometimes deadly disease, more than 350,000 children were being paralysed by polio every year in 125 countries. Today, as a result of an intensive immunisation programme, the incidence of polio has been reduced by 99.9% and the wild polio virus is now only endemic in Pakistan and Afghanistan where less than ten cases have been identified so far this year. Rotary International, along with other agencies, continues to raise funds to bring this devastating and crippling disease to a world-wide end.

Ludlow Rotary is supporting this global effort and invites all to join them in 'walking a mile for polio' any time between 10am and 12noon on Sunday 22 October.

A number of routes starting from a registration point by the entrance to Ludlow Castle and suitable for all levels of fitness have been selected for the purpose. No individual will be asked to give more than £1 - but as many pounds as possible will be welcomed!

Every donation to Rotary will be trebled by the Bill & Melinda Gates Foundation, so every £1 will become £3.

Speaking about this initiative, Ludlow Rotary organiser Tom Hunt said, 'Until polio is totally eradicated, every child is at risk of this highly infectious, potentially life-threatening and paralysing disease.'

'There is no cure for polio but there is a safe and effective vaccine which we need to continue to roll out until there are no more cases.'

'When the world is finally declared polio free, it will be just the second human disease ever to be eradicated, after smallpox.'

'Please help Rotary to wipe the life threatening and disabling poliovirus off the face of the earth simply by walking a mile for polio and donating £1.'

For further information, see www.ludlowrotaryclub.org.uk

Barry Forrester

During June and early July, we managed thirty-six hours of clearing footpaths, mainly around stiles and gates, but also some sections of path. The growth this year seemed more abundant than ever, and still, we couldn't do it all. Now that most crops and hedges are being cut, hopefully, things will open up. We've walked several footpaths between churches in preparation for the Corvedale Music Festival, more clearing, placing new way markers and repairing stiles and a bridge where we had time to do so. We'd managed to misplace one new stile across the fields from Heath Chapel on the edge of Wynett's Coppice, I'm not sure how this happened, but noticing the mistake, we have now replaced the stile to its rightful position on the Right of Way.

Up the lane from Aston Munslow, a stile on a steep muddy bank has been problematic for some time, we have now replaced the stile frame, (steps yet to be done), and added a flight of six steps into the bank to ease access, see 'before' and 'after' photos. This will be a decided improvement, I'm sure all who are familiar with it will agree!

Happy walking, Jenny Vine

WESTHOPE CLOVER CLUB

The Clover Club celebrated its anniversary meeting with another delicious dinner at the Westhope Community Lunch. It was a lovely celebratory start to our 46th year.

Next month, **Thursday 5th October**, as several of our members will be away in Blackpool, I have decided to cancel the film show. We will play bingo and have a nursery rhyme quiz instead.

Kath Woodhouse, 01584 841 254

CARING FOR GOD'S ACRE

OCTOBER – THE TENTH MONTH

So here we are in October, the tenth month of the year but a name associated with 'eight', because in the old Julian calendar it was the eighth month. In 1752 we changed to the Gregorian calendar when the start of the year went from March to January and October went from being the eighth month to the tenth month.

What I did not know until looking at all things October for this article was that about 1,500 years ago Pope Gregory declared that the cockerel was *the* symbol for St Peter. By the time we had a lot more stone church buildings (a

couple of hundred years later, so 850-ish), a Papal enactment encouraged all churches to add the cockerel emblem to their towers, replacing the bit of rag which had been telling locals the way the wind was blowing. And so the weather-cock was created.

The weather theme continued in my research, and folklore is a wonderful area for it. It seems that the weather in October has traditionally been seen as having a direct effect on the weather in winter. 'Much rain in October, much wind in December' and another gem: 'A warm October, a cold February'. And I would not like to leave out January: 'But if thunder in October, January will be wet'. Now I don't know about you but until now I had never considered how October might affect the following winter. There is good news too: 'Snow and frost in October, January will be mild'.

The behaviour of animals in this month is also indicative of what winter might bring. 'If foxes bark much in October they are calling up a great fall of snow'. I could go on... it seems extraordinary to me that I have never spotted the October effect before now!

One thing I have noticed before, though, is 'St Luke's Little Summer ', which is associated with milder or sunny weather around 18th October. Hagiography (the study of saints) is one of my interests. St Luke is the patron saint of doctors, physicians and surgeons, and is thought to have been an educated man. He wrote one of the four gospels and he also wrote the Acts of the Apostles, the fifth book of the New Testament. It is surprising how often we do get some dry, calm days in the middle of the month, hence his 'Little Summer'. Look out for it this month.

Finally, I think we could do a bit of checking this month and see if any of the above really is based on facts. Another old adage says 'October always has twenty-one fine days'. Really?

Let's all count the fine days and see what we come up with. Have fun!

Anni Holden Calver Trustee of Caring for God's Acre and a member of the Churchyard Task Team. Secretary of Shropshire Churches Tourism Group

CORVEDALE GARDEN GROUP 🕏

Mr and Mrs Morgan, who used to farm at Sutton in the Corvedale, moved to Pont Faen House in Knighton 20 years ago. They made us very welcome on Saturday 16th September even though various circumstances meant we were only a small group of thirteen people. They had opened for the NGS for many years but gave up after the Covid pandemic, so we were honoured to be able to visit. Now in their mid-eighties they manage all the gardening themselves and had put up gazebos for us near the former pig sheds, where we had our refreshments, so we could stay dry if needed. We all had our fingers crossed that it would not rain, and it obligingly didn't until we were just finishing our tea and excellent cake at the end of the tour.

Pont Faen is a well-proportioned house built in the 1930s and the garden which surrounds it is spacious. It required considerable renovation in the 2000s. John and Brenda bought the adjacent field when they moved in and so the garden extends via a pergola to a larger area the width of the house at the back. A variety of evergreen and deciduous shrubs were planted at the outset to screen the housing development behind, which was built after they moved. Wide herbaceous borders, interspersed with interesting shrubs and some very tactile grasses, encircled the lawn. At the centre, a water feature was set off by evergreen topiary.

Also at the back was a greenhouse and working area with well filled compost bins. Nearby was a bed with a spectacular iridescent blue/purple delphinium alongside pots of tall blue and white agapanthus. These echoed similar pots at the front of the house and a huge pot nearer the back of the house of agapanthus 'Twister.' The former pig sheds were slightly heated in the winter months to protect the dahlias and other tender plants.

To the right of the house, as you faced it on entry, is a large lawned area with a huge copper beech underplanted with a succession of spring bulbs and cyclamen. The borders surrounding the well-maintained lawn were bright with perennials including tall clumps of rudbeckias, dahlias, and verbena bonariensis. Roses and clematis climbed the house, trellis, and pergolas as well as some of the trees, adding another dimension of height and colour. A similar planting style was to the left of the front drive. Throughout the garden there were five varied water features and a number of well-chosen areas in which to sit. This allowed you to take in the wealth of colour, form and lead/bark shapes in the garden. It was a real pleasure to share this garden with the owners.

In October we had planned to visit the Leasowes at Cound, but that is now deferred until 13th April 2024 as the owner had an unavoidable commitment. Instead the garden group visit on Saturday 14th October at 10am will be to Coddington Vineyard between Ledbury and Malvern. The garden features terraces, wildflowers and a woodland walk. There is a large pond and a stream. Earlier in the season there are masses of spring bulbs, primulas, hostas, hellebores and parotia trees. Now they will be full of late flowering roses, verbena bonsarienis, ferns and late flowering perennials. The vineyard has beautiful gardens and makes a small selection of acclaimed wines from 2,300 Bacchus, Ortega and Pinot Gris grapes. Picking will be in progress. Wines are available to buy in the old apple press house. Jams, chutneys and marmalades are also available. Admission with tea and cake is £13 per person.

The Vineyard, Coddington, Ledbury, Herefordshire, HR81JJ Tel 01531 641817 (40 miles/66 minutes from Aston Munslow)

If you wish to attend and are not on the mailing list, please contact cathburley@hotmail.com by 9am on Wednesday 27th September so I can submit numbers.

Please note that on **Saturday 11th November** at 10am at Diddlebury Village Hall, our speaker will be Tamsin Westhorpe. This meeting is open to anyone in the area, so feel free to come along with friends and family. Tickets cost £10 to include refreshments and there will be a raffle - see poster elsewhere in the magazine. For more information, please contact me at *cathburley@hotmail.com*.

Cath Burley

CORVEDALE GARDEN GROUP TALK

11th November 2023 at 10am at Diddlebury Village Hall

What does your garden look like in spring? What are you planning to keep or to change? Will it be colourful? Which plants should you cut down in autumn or leave for over wintering insects to hibernate in? Are there seed heads for birds and small mammals? Maybe by November you will have ordered your bulbs, planted snowdrops, crocus and daffodils and be considering where to plant your tulips. This will be a perfect occasion to learn more about how to create the most fabulous garden for 2024.

I am delighted that Tamsin Westhorpe will be explaining to us how to:

- Prepare for the Perfect Spring
- Select plants for a spring garden
- Practical tasks to achieve perfection

Tamsin is curator and gardener, working with her sister at the beautiful Stockton Bury Gardens, on the Kimbolton road, just off the A49 between Ludlow and Leominster. Gardening, as she will tell you, is part of her upbringing and a huge part of her family's life. She is both a practical hands-on gardener and someone hugely well regarded in the horticulture field. She is an extremely entertaining and humorous speaker. After starting her career, like Alan Titchmarsh, in the Parks and Gardens department, she worked in the magazine industry, spending six years as editor of The English Garden Magazine. She regularly judges at RHS shows and is a celebrated author. Her publications include 'Grasping the Nettle', 'Diary of a Modern Country Gardener', 'Grow Houseplants'.

Admission £10 to include refreshments. There will be a raffle. Please feel free to spread the word and bring family friends and neighbours to this lively local event.

CORVEDALE BOOK GROUP

We were delighted to welcome a new member to our group in September to add to our wide-ranging discussion of *Spill Simmer Falter Wither* by Sarah Baume. This book was on the shortlist of the 2015 Costa First Novel award, and we could see why. It is an extraordi-narily well written work about the very emotive area of loneliness. Sarah Baume shows the ability to get perceptively into the mindset and the uncomfortable living conditions of both the isolated man in the story and his barely lovable dog. Her descriptions of rural Ireland and the natural world in which they lived, was knowledgeable and well painted.

It is a difficult and heartbreaking read but with moments of humour, and during our dis-cussion we kept wanting to read aloud sections to each other. Ray is a man of fifty-seven who has rarely left his home throughout his life. His mother died when he was two, he didn't attend school and his father frequently left him to fend for himself. He has very lim-ited life experience but reads widely. His father taught him to drive when he was in his for-ties, as he was becoming less mobile and suffering from gouty feet. After his father's death, Ray tended only to go out once a week for shopping, meeting few people on that trip; at other times he walked the coast. One day he saw an advertisement for a misfit dog. The story chronicles how he and 'One Eye' gradually became used to each other and formed a friendship across a year. This was probably the first time either of them gave and received affection or had a sense of purpose. The relationship isn't easy. Ray describes caring for the dog like nurturing a nettle. He describes himself as 'his father's nettle... a son only fit to be kept indoors... where there's nothing to sting but himself.

Ray described himself as 'too old for starting over, too young for giving up'. This was one of many thought-provoking phrases that sprang to our attention in the book. Even though to the outside world he looked shabby and disreputable there was something likeable about him and his vulnerability, his knowledge of himself as being different: 'I haven't fought in any wars or fallen in love. I've never even punched a man or held a woman's hand... I lie down and let life leave it's

footprints on me.'

The writing pulled you up in your tracks, triggering thoughts and making you focus on small details in life and think about them differently and use your senses in other ways. Seeing the world through the excited nose and one eye of the dog made you think about the (often disgusting to us) smells which enriched the dog's life. We tend not to concen-trate much on smell as a sense. Nor do we concentrate on really seeing. Ray and One Eye were watchers, trying to make sense of a puzzling environment around them with which they had very little interaction. They tried to make the best interpretation that they could of this constricted environment and their rare interactions with people. Sometimes their con-clusions were built on faulty premises. Had things been different, their lives could have been different too, one hopes.

It was a book that describes the strong feelings which were evoked for Ray as he talked through the life he had had with his dog. He began to have hope... or did he?

'But it's too late to be grateful now. It's too late for everything but regret.'

'I'd like a costal cottage of my own, of our own. What do you think? I'd cover it with sea-shells, only we would have queeny frills instead. I'd piece our windows into place with my sanded glass, pebble by pebble. We'd have a lawn for you to pick the dew from, and a patch of bare earth where I can raise my faulty crops straight from the ground. Our cot-tage would be down a narrow track with an unsignposted strand and an unbroken view of jumping Atlantic, just like here. And I'd carry a patio chair to the end of our lawn. I'd put it there, see there? Right there. And I'd face it to the uncluttered horizon.'

But it's too late, of course. Or is it? We would recommend you read it to find out.

Our read on **Thursday 12th October** is *Nothing but Grass* by Will Cohu and Elaine Gardner will be guest editor.

Cath Burley, cathburley@hotmail.com

MUCH WENLOCK MALE VOICE CHOIR

The choir is now back in full practice mode and preparing for a few events this October. The first of which is our joint concert with Biddulph Male Voice Choir at 7.00pm on Saturday 7th October in Holy Trinity Church, Much Wenlock. Biddulph are entering their second millennium as a choir having celebrated their centenary last year and are currently the proud recipients of the prestigious Midlands Male Voice Choir of the Year Award for 2023. We very much look forward to singing with and alongside them at what should be a memorable evening.

The following weekend sees us supporting the Get A Word In Edgeways festival (gawiefest.co.uk) that is taking place in Much Wenlock, when a group of us will lead an informal singalong from 3.00pm on the Sunday (15th October) in and around the High Street to bring the event to a close. This is a free event and could be a lot of fun, please come along and take part – words will be provided! On the following Tuesday (17th October) we are holding an Open Evening, a come along and try it night, at the William Brookes School from 7.20pm, when we invite all men to find out whether the choir is for them. Remember, you may never have sung before and may even have quite a low opinion of your degree of musical ability, but don't be put off, our musical director is very good at developing the choral skills that are within us all! You will be assured of a warm welcome and the chance to be involved in an activity that is proven to be excellent for your physical health, your confidence and mental well – being.

We complete our busy month with a full concert at Ditton Priors on Saturday 28th October at 7.30pm where we will be supporting the fundraising efforts for the St John the Baptist Church in the village. All supporters most welcome.

Dick Langford, chairmanmwmvc@gmail.com, 01952 728 758

CORVEDALE PAST & PRESENT

TWO DAYS IN SEPTEMBER

I'm writing this just after spending two days at the Linley estate, which is in that lovely part of Shropshire to the west of the Longmynd. It brought together a remarkable group of people whose main focus seems to be the health of our soil, suitability of the plants that grow in it for animals, and, ultimately, for humans who eat the animals and the plants. It was called the Marches Real Food and Farming Conference.

It was really hard to believe that it was the first such conferences ever; it was tremendously well organised and over 100 people spoke at the various talks and panel discussions. There were least as many people who came just to listen and participate in the discussions, meet other people with similar interests, and generally have a fun time.

I know a lot of the sessions were filmed or recorded: at some stage it will be possible to view these at *www.mrffc.uk*.

A lot of people talked about change, which can be extraordinarily hard for us all. It's easier to plough the same old furrow rather than to listen to somebody who thinks you should be doing it different way, or just not at all!

I thought about knowledge and I wonder if there are three categories which probably get more and more interesting as you go along. This is what I mean.

The **first** type is what we know, and, increasingly these days, what we can find out. This can be a) personal, b) what we know as a society and c) what mankind knows.

The **second** type is what we have forgotten. Somehow this seems much more interesting. Call it ancient wisdom or anything else, but human beings all the time seem to come across problems that our ancestors could, apparently, solve with ease and elegance but which baffle us despite all.

The **third** type of knowledge is the most exciting of all; what we don't know and have never known. Everybody reading this and everybody else on the earth started life as a single cell yet we now have eyes and brains, adrenal glands nerves

TRACTOR RUN

Culmington village Hall committee will be holding the Corvedale tractor and 4x4 road run on **Sunday 1st October** starting from Culmington by kind permission of Mr and Mrs John Turley. All profits raised will be shared equally between the MS Society UK and the village hall renovations. Below are the approximate timings that the lead vehicle will be travelling through the villages enroute. Hot food will be provided at the start and finish.

| Seifton / Culmington | 10.00am (start) |
|--|-----------------|
| Onibury | 10.30am |
| Ludlow Racecourse | 10.40am |
| Stanton Lacy | 10.45am |
| Stanton Lacy Village Hall | 11.10am |
| (Halfway halt for 45 minutes to an hour (appro Tea, coffee and biscuits will be provided by a Stanton Lacy Village Hall committee. | |

and arteries etc. OK, we may know a few steps along the road of this astonishing process but that's just like knowing a few people in a vast crowd.

I do wonder if there's a **fourth** type of knowledge: the things which we know instinctively are true but cannot prove. While other types of knowledge have to go into ever fatter boxes, this type of knowing is withering on the vine and very fast. So please don't look down your nose at type 4 knowledge!

Here is an example from my favourite source... the historic

landscape. I have been recently thinking about oval shapes as Richard kindly sent me an aerial photo of which this is part – a superb oval – in the lower Corvedale, which I would expect to be from Saxon times or maybe earlier.

We could easily compare this with Nordy Bank which is earlier still.

Or with any number of modern stadia, or any of many examples.

No doubt it is possible to prove with mathematics that the oval is the most efficient way of enclosing ground, but can we say why it is so satisfying and

harmonious and culturally solid?

Peter Cornah, 01584 823858, petercornah@gmail.com

| Clee St Margaret | 12.40pm |
|------------------|----------------|
| Abdon | 1.10pm |
| Peaton | 1.30pm |
| Diddlebury | 1.40pm |
| Culmington 1 | .55pm (finish) |

The police have been informed of the route and timings. There will be marshals on duty wearing high-vis vests.

MUNSLOW PARISH COUNCIL DRAFT MINUTES OF THE MEETING HELD ON THURSDAY 7TH SEPTEMBER 2023

Present: Cllrs Barbara Archer (Chair), Val Fotheringham, Andy Johnson, Ed Povey, David Marston, Chris Meeson and Graham Williams. Cllr Motley (Shropshire Council) and H Coonick (Clerk/RFO).

Cllr Archer welcomed Mr Andy Johnson who has been co-opted onto the council. He signed the disclosable interest and acceptance of office forms.

Apologies for Absence: Cllrs Antonia Bury and Nigel Dobson.

Declarations of Interest: None.

Public Forum: No members of the public were present.

Minutes of the Parish Council meeting held on 6th July 2023 were approved and signed by the chair.

Urgent Items for discussion at the discretion of the Chair: Cllr Archer reported that the Clerk had received Shropshire Council's (SC) report on the B4368. At the request of SC, it would be circulated to Munslow Parish Councillors to enable them to make comments. The clerk would gather comments and send them to SC who will then distribute the report more widely and arrange a meeting of representatives.

Reports: *Clir Motley* reported that the first quarter figures showed that Shropshire council was making good progress at dealing with its deficit. She was pleased with the progress made by Adult Social Care and Public Health which are trying to prevent people from entering hospital. Covid cases have started to rise but it is not a major concern at the moment. The Local Government Boundary Commission (LGBC) will report its decisions on 3rd October. The Community Governance Review will be affected by the results of the LGBC review. No schools had been affected by reinforced autoclaved aerated concrete (RAAC) and they were assessing other public buildings. There were concerns about Openreach's plans to switch to digital telephones by 2025 as there was not sufficient infrastructure. The planned oil-fired boiler ban for 2026 would have a considerable impact upon rural properties.

Clir Johnson (in Clir Dobson's absence) reported that the Big Breakfast would be held at the Club Room on 30th September.

Clir Archer said there had been more discussion on solar farms and oil-fired boilers at the South Shropshire Area Committee. Parishes would be encouraged to have emergency plans in place. Shropshire Association of Local Councils was aware of the issue of the free website now charging for their services which was impacting a lot of parishes. Clir Motley suggested that an emergency plan could include liaison with Diddlebury and Culmington parish councils. Clir Marston suggested that all new buildings, including industrial and commercial ones, should have solar panels.

Highways: Cllr Williams would liaise with Cllr Dobson regarding the mobile Vehicle Activated Signs. The new posts had not been installed yet. Cllr Archer reported that there had been a delay in the manufacturing of the replacement sign for the western entrance to Aston Munslow. It was expected to be installed by the end of September.

Environmental Maintenance & New Tasks: The contractor had completed the work on the lane near The Swan and the clearing around the public car park at Aston Munslow.

Speed of Traffic at Broadstone: Cllr Meeson reported several incidents as traffic exits the car park of the Seven Stars Public House. It was agreed that a request would be made to Shropshire Council to extend the speed limit to beyond the Seven Stars if this was not already included in the B4368 report.

Communications with West Mercia Police: This was deferred to the next meeting.

Planning: 23/02676/FUL Coombend, Munslow, SY7 9E Proposed extension and internal alterations to existing 3-bed dwelling Applicant: Mr & Mrs Malcolm and Jane Grant. For information only.

23/03063/FUL Munslow Farmhouse, Munslow, SY7 9ET Reinstatement of outbuilding in farm building range. Applicant: Dr Janan Gibbins. For information only.

23/03277/TCA White House, Aston Munslow, SY7 9ER Prune back to clear eastern edge of building by 1m. 1no Yew within Aston Munslow Conservation Area Applicant: Mrs Lauren Timms (The Landmark Trust) For information only.

23/03489/FUL Conversion of garage and stables, plus erection of flat-roofed linking structure, to form new dwelling separate from existing. The Chains, Munslow, SY79ET. OS reference: 352303 – 287476 Applicant: Mr & Mrs Simon & Rita Brandwood. The Council referred to the previous application regarding The Chains (21/06004/FUL) when the council supported the application with a clause preventing residential or commercial use. This application is for a new dwelling which is contrary to the 'open countryside' status of the parish and the determination of the original planning application. The Council agreed to object to the application.

Correspondence: Mr Evans re The Washwell: The Council had considered the email from Mr Evans and the response from the Land Registry. The Council would attempt to establish ownership prior to the Land Registration and decide whether to request a change to the registration at the next meeting.

Christine Evans wished to thank the Environmental Maintenance Contractor for the work he had carried out on the lane near The Swan.

Repairs to the Community Car Park in Aston Munslow: The Clerk had reported this to Shropshire Council via Fix My Street and the response was 'No further action is required at this time.'

New Fee for the Parish Council Website: Hugo Fox had initiated a fee for the website – from October – of a minimum of £9.99 plus vat. The Clerk would establish whether there were any free alternatives whilst paying for the present site.

New Beambridge Club Room Lease: The new lease had been received just before the meeting. Cllr Dobson had sent a report that the lease still contained errors and he would refer it back to the Millichope Foundation for corrections before Cllr Archer and Cllr Povey could sign it on behalf of the Parish Council.

Fundraising for the Henry Angell-James Memorial Trust: Cllr Dobson had sent a report that £150 had been raised at the Munslow Fete including donations from Cllrs Bury and Dobson. The Council would grant £150 to the Trust in recognition of the provision of the defibrillator they had donated.

Methods of Communicating with Parishioners: Deferred until plans for the Parish Plan are clarified.

Police and Crime Commissioner's Town and Parish Survey: Cllr Dobson agreed to complete the survey.

Requests for Grants to the Brown Clee Medical Practice and Christians Against Poverty: The Council resolved not to make a grant to either.

Data Protection and Privacy Policy and Complaints Policy and Procedure: Both policies were adopted.

Wildflower Seeds from the Millichope Estate: Cllr Bury had sent a message that the wildflower seeds are available for the council to use for verges.

Payments: Payments to the following were authorised: D Lewis (Environmental Maintenance) Inv 367 £174.25, Zurich Insurance £393.82, H Coonick Salary £638.56 (July-Sept) and Travel £7.20

(July – Sept), Gods Acre Grant £30, Hugo Fox £9.99 + Vat per month (website).

Items for the Next Meeting at 7.30pm Thursday 5th October 2023 at Beambridge Village Hall: a. B4368 report b. extension of speed limit to beyond Seven Stars c. communications with West Mercia Police d. Land Registry and the Washwell e. Website fee f. clubroom lease g. fundraising for Henry Angell-James Memorial Trust h. wreath for Remembrance Day.

Minutes and Agendas are available on

www.munslowparishcouncil.co.uk or from the Clerk on munslowpc@gmail.com or 07817 607355

CULMINGTON PARISH COUNCIL

DRAFT MINUTES OF THE MEETING ON TUESDAY 5TH SEPTEMBER 2023

Present: Councillors Mr Ian Alderson (temporary Chair), Mr A Pike (vice Chair), Mrs C Byng, Mrs M Holland, Mr M Seabrook and Mr I Steele. In Attendance: Cllr Cecilia Motley (Shropshire Council) and H Coonick (Clerk/RFO).

Apologies for Absence: Cllrs Mrs J Mear, Mr J Turley and Ms J Watts.

Declarations of Interest relating to this meeting: None.

Public Involvement Session: No members of the public were present.

Minutes of the Parish Council meeting held on Tuesday 4th July 2023 were approved as a correct record. Cllr Alderson signed the minutes.

Community Governance and Boundary Review: Potential changes to parish boundaries at Sparchford, Elsich, Vernold's Common, The Pheasantry and Seifton. Once the Local Boundary Review is complete then the Community Governance Review can be actioned. Neither Stanton Lacy Parish nor Culmington Parish Council have had a response to the letter sent to the residents of Vernolds Common. The Clerk will suggest a meeting with the Diddlebury Parish Council chairperson to discuss Seifton. The proposals for changes to boundaries which will be put forward as part of the boundary review will be: Vernolds Common – to receive properties presently in Stanton Lacy Parish; Sparchford – to suggest a transfer of properties presently in Diddlebury Parish to Culmington Parish Council area.

Highways: The proposed position for the post for the Vehicle Activated Sign at the eastern entrance to Culmington Village was between the 40mph roundel and the pedestrian roundel. This was acceptable to councillors and the Shropshire Council traffic engineer. A new quote for the purchase of a Speed Indicator Device had been requested but not yet received. The sign would not be purchased until the post was in situ.

There had been a request for a warning sign near Burley Farm, but as this was not a 'new' corner the Shropshire Council traffic engineer would not authorise its installation.

Reports from Members: *Cllr Motley* reported that Shropshire Council was making good progress in reducing the £51 million deficit and had already made savings of £6 million in her areas of responsibility (Adult Social Care, Public Health, and Communities). Adult Social Care was investing in trying to keep people at home or return home more quickly from hospital. There was now a deal with Telford and Wrekin Council for independent living aids and they were trying to recycle aids wherever possible. She recognised that the last two quarters of the year would be difficult regarding the budget. She was pleased to report that there was no reinforced autoclaved aerated concrete (RAAC) in Shropshire's schools but other public buildings would now be assessed. More locally, the Holiday Property Bond property at Norton was converting the next set of barns and putting in place mitigation for flooding from the surrounding fields.

Cllr Mear had sent a report saying that the Village Hall

Committee had planned lots of activities for the coming months.

Cllr Byng said that both she, Cllr Turley and Jayne Disley, from the Flood Action Group (FAG), did not think it necessary to desilt Seifton Brook this year. John Bellis (Shropshire Council) had confirmed that Shropshire Wildlife Trust would be running the 'Slow the Flow' Project. Shropshire Council was continuing work along the B4365 and would further investigate the drains found in the field next to Culmington House. SC had also looked at the bridge near Culmington Farm. There would be another meeting on 7th September. Shropshire Council was waiting for a date to close the road to Westhope to carry out resurfacing.

Members of the FAG attended a meeting of the Shropshire Flood Forum and were working on an Emergency Plan.

Duty to Conserve and Enhance Biodiversity and the Environment Act 2021: The Clerk would liaise with Shropshire Wildlife Trust and bring a proposal to the next meeting.

Footpath and Bridleway Report: Cllr Pike reported that the footpath from Sparchford Lane to the B4365 (bridleway 0524/53/1 and footpath 0524/56/1) was not blocked and was well waymarked. There had been a slight diversion in the field at the back of gardens but no more than a few metres. The footpath that should go through the back of the Laundry and emerge onto the B4365 just south of the Laundry (0524/61/1) was blocked and needed to have an official diversion. Cllr Pike would investigate this further. A footpath at Seifton Bache is blocked by vegetation and Cllr Pike and Mr Jeff Williams will work on clearing it.

Renewing the Parish Plan: The Clerk would provide the next meeting with the survey used for the previous parish plan.

Management of the Defibrillator at Culmington Village Hall: This was deferred to the next meeting.

Preparing an Emergency Plan: The Flood Action Group Emergency Plan would feed into the Parish Council plan. A joint plan with Stanton Lacy and Diddlebury Parish Councils would be helpful. Cllr Motley would raise this with Diddlebury Parish Council at its next meeting.

Room used for future Council meetings: A request had been made to hold the meetings in the smaller meeting room. There was concern that there would not be sufficient space for members of the public to attend, which is a legal requirement for all parish councils. Meetings would continue to be held in the main hall.

Finance: Charges for Website Hosting: the Clerk reported that Hugo Fox (who host the present website) would start to charge a fee of £9.99 from 4th October 2023. It was agreed that the fee would be paid for up to three months whilst alternatives are investigated.

Payments were authorised to: D Lewis (Environmental Maintenance) £153.00, H Coonick, salary (July-Sept) £755.95 and travel expenses £13.50, TWM Traffic (speed indicator device) deferred to the next meeting.

Chairperson for the next meeting: Cllr Ian Alderson would remain as chairperson for the next meeting.

Items for the Parish Council Meeting at 7.00 pm on Tuesday 3rd October 2023: a. Community Governance boundary review. b. purchase of the speed indicator device for the eastern entrance to Culmington village. c. Duty to Conserve and Enhance Biodiversity and the Environment Act 2021 d. Renewing the Parish Plan e. Management of the Defibrillator at Culmington Village Hall f. Preparing an Emergency Plan g. Parish Council website h. Election of Chairperson.

SUBSCRIPTIONS 2023

Many of you have already paid your subscriptions for the 2023 Corvedale News, but there are still quite a few who have yet to pay. The subscription price for your Corvedale News is now **f8.00 per annum.**

Subscriptions for electronic copies remain unchanged at £5.00 per annum.

May we remind you that subscriptions are actually due annually in advance.

If you have not yet paid your subscription for 2022, please let your distributor have your outstanding money as soon as possible if you wish to continue receiving the Corvedale News. Subscriptions can be paid online using the bank details below or cheques can be posted to the Treasurer: Tony Bennett, Lower Middle Barn, Corfton, SY7 9LB.

| Account name: | Corvedale News |
|-----------------|----------------|
| Sort Code: | 30-90-49 |
| Account Number: | 54132260 |

When paying your subscription in either of the above ways, please add in your name and your location (e.g., BENNETT, CORFTON) so that the Treasurer can identify the person sending in the money. This is vitally important.
